As an Apartment Manager, you are well aware of how time consuming move-in paperwork can be. However it is a very necessary part of the apartment industry. Please allow us to offer you some much needed help!

Tsoft Software Products, Incorporated, a North Carolina based personal computer software company, is pleased to announce the release of a new product named **Move-In Manager.** As you probably guessed, Move-In Manager is designed to help you do cumbersome move-in paperwork effortlessly.

Here are just a few of this exciting product's features:

o   Insures consistency and correctness, and eliminates typing errors and those messy carbon paper smudges.
o   Quick and Easy - enter information in the computer one time and let the computer fill in the necessary spaces.
o   Ideal for offices with limited staff, one person can prepare several move-ins instantly, while performing other important tasks.
o   Helps insure legibility, since the computer prints the documents, you have perfect copies EVERY TIME!

o   Move-In Manager is designed to work under Microsoft Windows® to make use of modern point and click technology for maximum ease of use!
o   Full "Context Sensitive" on-line HELP manual is available at the touch of a button. Documents can be customized by Tsoft to use your management company's forms and logo.
o   Document options allow you to print only the forms you need, so Move-In Manager can be used for renewals too.
o   Standard license allows use on multiple machines or a network within the same facility at no extra charge.
o   Installment payment plans available.
o   Maintenance contracts, which include: Free upgrades, reduced rate training, and on going phone support are available.
o   Works with virtually any DeskJet or Laser printer supported by Microsoft Windows®.
o   Quick Move-ins can be handled easily even on Saturday when there's normally only one person in the office.
o   Forms can be modified to conform to parent company standards.

Single Copy Price: **$499** (Forms customization not included)
Optional Annual Maintenance Contract: **$200**
Volume Discounts are available for multiple site purchases.
